

REMARKS

Claims 1-6 are pending in the application. The Examiner has required restriction of these claims under 35 U.S.C. § 121.

The Examiner asserts that "Claims 1-3 are, drawn to a method for removing fluorine gas from a selected environment, classified in class 423, subclass 241" and that "Claims 4-6 are, drawn to an apparatus for use in removing fluorine from a selected environment, classified in class 422, subclass 129+."

Applicant elects claims 1-3 and has cancelled claims 4-6 without prejudice. Applicant reserves the right to file a divisional application directed to claim 4-6.

Respectfully Submitted,
